SHAKIR ADAM ELSAYED ABDELRAHMAN

Software Engineer

Sudan
Phone: (+249) ___-____ ■ Email: shakirex10@gmail.com ■ _____ ___

Recent graduate of computer science (B.SC.Honours) , seeking an entry-level software engineering position.

Key skills and knowledge areas:

- Solid foundation of object oriented programming fundamentals and best practices in software engineering ,debugging ,coding.

- computational thinking , problems solving , design & analysis of algorithms.

- Strong team collaboration skills. Work closely with team members to achieve software engineering goals.

EDUCATION

University of Dongola -- Sudan
Ranked in the top 10 Universities in Sudan by *Higher Ministry of Education in Sudan*

Bachelor of Science in Computer Science (Honours) , GPA: 3.38/4 , 198 Credit Hours , (2024)

Completed Courses in Major:

- Physics I : Classical Physics, Physics II : Electricity & Magnetism , Mathematics I & II :Calculus , Linear Algebra, Programming Methods I & II & III, Logical Circuit Design, Statistics & Probabilities, Data Structure, Deferential Equations, Operating Systems Concepts, Database Concepts, Assembly Language Programming , File Management & Organization, Computer Architecture, System Analysis & Design , Discrete Mathematics , Database Management Systems , Numerical Analysis, Computer Networks, Principles of Computer Security , Operational Research , Computer Graphics , Design & Analysis of Algorithms , Advanced Computer Networks , Advanced Operating Systems, Object Oriented Programming , Human Computer Interaction , Simulation & Modeling ,Artificial Intelligence , Programming Language Concepts , Network Security , Compilers Design , Data Mining , Multimedia Programming , Open Source Systems , Electronic Concepts , Mobile Application , Internet Technology I & II , Visual Programming , Scientific Research Methodology , Cloud Computing , Software Engineering I & II , Theory Of Computation ...

Graduation Project:

- Using Technology In Electronic Appointment (2023-2024)
- Applied in "Private North Hospital-Sudan-Dongola City" As a Case Study
- Using Tools:- PHP Laravel, My SQL, HTML – CSS, JavaScript, VS. Code

Recommendation Letter : Recommended By Head of Computer Science Department (Assistant Professor: Aballa Satte)

TECHNICAL SKILLS

Html , CSS , Java Script , OOP , Dom Manipulation , Sass , SQL , PHP , Word Press , Vue.js , Flatter , GIT , Java , Python C++ , Visual Basic , UI/UX Design , SEO , Digital Marketing , Digital Content Managemen

WOOD FURNITURE STORE SECERTER

The Mahogany Palace for Furniture, Omdurman, Sudan/ 1/1/2023 -1/6/2023
